

Hello,

We would like to send you a few updates regarding COVID-19 and ask you to share this information in your networks. Please continue to consult the [AAFC website](#) regularly for updates.

1. COVID-19: Guidance for Temporary Foreign Worker

The Canadian Centre for Occupational Health and Safety Resources (CCOHS) has prepared an infographic on "[COVID-19: Guidance for Temporary Foreign Workers](#)" – available in English, French and Spanish.

2. Guidance on the prioritization of initial doses of COVID-19 vaccine(s)

The National Advisory Committee on Immunization (NACI) is a national advisory committee of experts in the fields of pediatrics, infectious diseases, immunology, pharmacy, nursing, epidemiology, pharmacoeconomics, social science and public health. The NACI makes recommendations for the use of vaccines currently or newly approved for use in humans in Canada, including the identification of groups at risk for vaccine-preventable diseases for whom vaccination should be targeted.

3. Reminder: Next week the AAFC COVID-19 stakeholder calls will be held exceptionally on Thursday January 21, 2021 at noon.

The NACI has produced [Guidance on the prioritization of initial doses of COVID-19 vaccine\(s\)](#) and it will be updated as the COVID-19 situation evolves.

We encourage you strongly to share your comments and questions in writing through the AAFC Roundtable account (aafc.roundtable-table ronde.aac@canada.ca).
