Lake View Dental

Lake San Marcos Community,

As many of you may know, our office has undergone some exciting transitions this year. We are pleased to now have Dr. Jordan Colby and Dr. Del working side by side, continuing to provide the exceptional care you've come to expect.

With these changes, we've also decided to rebrand our practice. Moving forward, we will be known as **Lake View Dental**. You'll begin to see our new name on caller ID, appointment reminders, and payment transactions.

We're thrilled to unveil our new look and refreshed logo. This marks a joyful and positive step forward for our practice, and we want to reassure you that our commitment to serving you and your families remains stronger than ever.

We understand that change can raise questions and concerns, but rest assured—we are maintaining the same high standards and personalized care. Dr. Del continues to provide his exceptional restorative and cosmetic dental work, while Dr. Colby brings specialized expertise in All-on-4 restorative treatment and implant surgeries.

All-on-4 is a wonderful option for patients whose dental health has required frequent visits and significant financial investment. It allows you to receive a fully restored smile in just one surgical procedure. Though new to our office, this service is not new to Dr. Colby—he has been successfully performing these procedures for over 10 years. We are excited to offer this advanced treatment to help more patients achieve lasting oral health and confidence.

Thank you for your continued loyalty and support. We look forward to seeing you soon!

Warm regards,
Lake View Dental
