"BUILDING A BETTER COMMUNITY"

ARCHITECTURAL CONTROL COMMITTEE **GUIDELINES FOR SUBMITTAL**

Before starting any work, please complete this application in detail and return to the LSMCA office along with a detailed description of the work you plan to do.

On all exterior changes, approval from adjacent property owners is required. Room additions, walls, fences and patio cover submittals will not be accepted unless the site plan shows location relative to house in feet & inches dimensions with height and colors. Some Declarations of Restrictions prohibit obstructing views of the lake or golf courses. Where height, golf course or lake view is an issue, story poles may be required.

APPROVAL BY THE ARCHITECTURAL CONTROL COMMITTEE DOES NOT MEAN YOUR PROJECT MEETS SAN DIEGO COUNTY OR OTHER GOVERNMENT REQUIREMENTS. YOU ARE RESPONSIBLE TO DETERMINE WHAT GOVERNMENT REQUIREMENTS APPLY AND TO OBTAIN ANY AND ALL APPLICABLE PERMITS AND/OR OTHER APPROVALS.

ADDITIONS, ALTERATIONS, RECONSTRUCTION

- Plans, drawings or sketches must be readable.
- Show location of addition or alteration with respect to existing structure(s).
- Show dimensions of addition or alteration, including heights as shown by story poles (at ACC request).
- Location of windows and/or doors.
- Roof must tie in with existing and be similar (hip, gable, etc.)
- Specify type of materials to be used.
- Colors must be similar to existing or provide complete color samples.
- Driveway changes must include dimensions and type of material to be used. (Expansion of driveways is to be avoided unless a golf cart addition is planned.)

FENCING and/or SWIMMING POOLS & SPAS

- Plans, drawings or sketches must be readable.
- Show location of swimming pool/spa and pool/spa equipment.
- The addition or alteration of fence with dimensions & with respect to existing structure(s).
- Show dimensions of pool and height of fencing. (Anything above 5' requires a special hearing (County building code requires a 5' fence around pool/spa))
- Specify type of fence materials to be used. If a hedge is planned, show type of material.
- Colors must be similar to existing or show complete color changes.
