# ABOUT

Team Reba on Season 25 of The Voice, Donny Van Slee, also known as Dr. Don, realized at a young age that music was more than a passion, it was his life's art. Raised on Florida's west coast in the small town of Weeki Wachee, Donny began performing after graduating high school in 2011, playing at local restaurants, tiki huts, and breweries as he started building his career.

In 2018, Donny left his hometown to attend Palmer College of Chiropractic in Daytona Beach, Florida, continuing to perform live every weekend. While road-tripping from Florida to Colorado for a chiropractic internship, he discovered Nashville, TN.

After sending a few emails, Donny landed an audition at the world-famous Tootsies Orchid Lounge and was hired. That pivotal moment inspired him to relocate to Nashville, where he now writes, performs, and releases music full time.
