ABOUT

Jared Daws is a multi award-winning singer-songwriter from New Orleans, Louisiana, now based in southern Mississippi. He gained early momentum with his late-2023 single “Fighter Boy,” which surpassed 100,000 streams and received FM radio support from Cat Country 98.9 and WRJW 106.9. The growing response to his music sparked demand for full-band shows, leading to the formation of his backing band, The Dusk Singers, named after a Mississippi cicada emerging during the band’s inception.

Since 2023, Daws has released a full-length studio album, an EP, and two singles, “Road Dog” and “Come On Home,” featuring production and studio work from members of Sierra Ferrell’s band, Colter Wall’s band, Sam Barber’s band, and Brothers Osborne.

“Road Dog” earned Gold at the International Singer-Songwriter Association Awards for Single of the Year and has been submitted for Grammy consideration in Best Americana Performance.
