

42nd Birthday Party

At the Ramada Hotel Wrexham: 23rd September 2026

The 23rd of September 2026 saw the club celebrate a very special milestone — the 42nd Birthday of the

Wrexham & District Stroke and Social Club.

We began by remembering our founders back in 1984. They created a place of friendship, support, and understanding. Their kindness started something that has helped so many people over the years, and we thank them for their vision.

Since then, our club has grown into a real community. We've shared quizzes, music afternoons, trips out, interesting talks, and plenty of fun.

Most of all, we've supported one another — and that is our greatest achievement.

Forty-two years is something to be proud of. It shows the strength, spirit, and warmth of everyone who has been part of this club.

To mark the occasion, Gwyndaf and Barbara cut our birthday cake, then we all joined together to sing Happy Birthday to the Wrexham & District Stroke and Social Club.
