Join us to play golf, have fun and raise money for the Lexington Woman's Club community impact project, college scholarship programs, and initiative projects.

This year's Community Impact Project shines a spotlight on Village Square Theatre—a place where stories come to life, generations come together, and the magic of live performance fosters creativity, connection, and a stronger community. Funds raised will support a vital renovation project to remodel the theatre's bathroom and make it fully handicap accessible, ensuring everyone can enjoy the arts in a welcoming and inclusive space.

Team registration includes breakfast, lunch, green fees, cart, beverages, and awards reception.
