Friend of the Farm Schenectady Greenmarket (Sundays 10 - 2)

At the Farm in Amsterdam (Wednesdays 4 - 6pm)

Payment:

- \$550, checks made out to Lovin' Mama Farm, or come see us at market to pay with credit card.
- *OPTIONAL*: Early season flower CSA, \$100 for 6 weeks
- *OPTIONAL*: Late season flower CSA, \$100 for 6 weeks

I understand that by paying up front for my veggies (and flowers) at the start of the season, I am taking on a similar risk as the farmers for crop failures based on weather events or other unpredictable events. I understand that my Friend of the Farm card will expire at the end of 2018, and that I can use my card at any of the farmers markets where Lovin' Mama Farm sells. If I am picking up a box at the farm, I understand that it is my responsibility to pick up each week, or have a friend or family member do so in my absence. I will not be able to double up on following weeks to make up for my absence. I commit to at least one four hour work party at the farm.
