

BREVARD UNCORKED

Wine Gala

An Invitation to Lead

13TH ANNUAL
HOTEL MELBY
NOVEMBER 6, 2026

PRESENTED BY BREVARD AUTISM COALITION

Dear Community Leader,

Every remarkable community is shaped by people who choose to lead.

Each year, Brevard Uncorked brings together leaders from across Brevard County to invest in opportunities that help children, teens, adults, and families impacted by disabilities build confidence, develop independence, form meaningful connections, and participate more fully in the community they call home.

This year, we invite you to do more than attend.

We invite you to join a community of leaders who believe meaningful change begins when people choose to invest in something greater than themselves.

On Friday, November 6, 2026, we will gather at Hotel Melby for the 13th Annual Brevard Uncorked Wine Gala—an evening dedicated to celebrating generosity, strengthening our community, and creating opportunities that change lives.

As the signature fundraising event of One Voice Coalition of Florida, Brevard Uncorked helps support the year-round work carried out through Brevard Autism Coalition, Angels Bridging Gaps, and One Voice Brevard. Together, these organizations provide advocacy, education, inclusive recreation, family support, employment preparation, social connection, and meaningful community experiences for individuals with disabilities and their families.

Your partnership is not measured by a logo in a program or a reserved table at an event.

It is measured by the lives that are changed through your leadership.

That is the legacy we invite you to help create.

We would be honored to welcome you as a valued partner in making this year's Brevard Uncorked our most meaningful celebration yet.

WHY WE GATHER

Every legacy begins with one opportunity.

Brevard Uncorked was created with a simple but powerful purpose: to ensure Camp 2 Can could continue providing life-changing experiences for children with autism and their families. What began as an evening of generosity supporting one extraordinary program has grown into something much greater.

Today, as one of the signature fundraising events of the One Voice Coalition of Florida, Brevard Uncorked helps sustain a collaborative network of organizations creating opportunities for individuals with disabilities and their families throughout Brevard County.

Yet the heart of our mission remains unchanged.

Every opportunity begins when someone is given the chance to belong, to grow, and to discover what is possible.

This evening is where generosity becomes opportunity—and where community leadership becomes lasting impact.

Every investment creates another opportunity to belong.

One of these counselors was once a Camp 2 Can camper. Today, he is helping the next generation discover confidence, independence, and belonging.
