About Camp 2 Can

Camp 2 Can is a summer camp dedicated to the provision of creativity, socialization, and personal growth experiences by individuals with Autism Spectrum Disorder (and related conditions). Camp 2 Can will be held for 6 weeks this summer for individuals with ASD (and related conditions) ranging from 5-22 years of age in the Brevard County area. This program was developed in response to the limited options and high demand for appropriate summer programs where children with ASD (and related conditions) can interact safely and productively. Funding for the camp is partially subsidized through fundraising efforts of Brevard Autism Coalition, a non-profit group dedicated to supporting families in the Brevard County area.
