Letter from Brevard Autism Coalition, Inc.

Dear Community Partner:

Imagine Jimmy, a vibrant seven-year-old boy with a heart as big as his smile. But behind that smile lies a struggle—a struggle that saw him kicked out of six camps in a single summer. You see, Jimmy is a special kid with autism spectrum disorder, and while he loves nothing more than playing and connecting with others, his emotional regulation deficits sometimes lead to outbursts that can be misunderstood as aggression.

For Jimmy's parents, watching their son face rejection after rejection was heartbreaking. They enrolled him in camp after camp, hoping to find a place where he could belong, where he could thrive. But each time, their hopes were dashed as Jimmy's challenges proved a greater challenge than they could meet.

Then they found Camp 2 Can—a beacon of hope in a sea of disappointment. Unlike other camps that simply couldn't meet Jimmy's needs, Camp 2 Can had something special: a fully trained staff equipped to understand and support him through his struggles by utilizing his strengths and creating opportunities for success. Finally, Jimmy found a place where he wasn't just tolerated, but truly embraced.

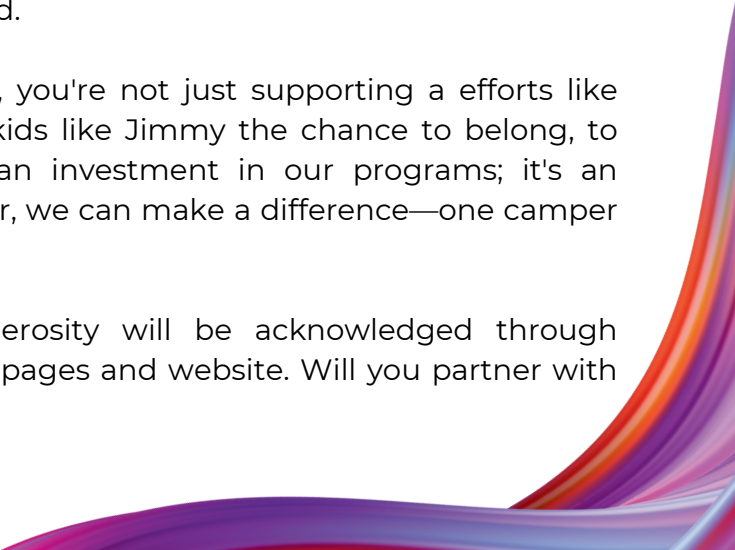

The summer of 2023 was a turning point for Jimmy. For the first time, he completed a full six-week camp session without incident, surrounded by understanding counselors who helped him navigate his emotions and build his confidence. He was able to return to Camp 2 Can 2024 for another successful summer, made new friends and created lasting memories.

But Camp 2 Can isn't just about providing a safe environment—it's about fostering a community where kids like Jimmy can flourish. Our staff doesn't just have the training; they have a genuine passion for making a difference in the lives of these incredible campers. And it's that passion that sets us apart.

As a 501(c)3 nonprofit organization, the Brevard Autism Coalition relies on the generosity of donors like you to keep programs like Camp 2 Can, Adventure Coffee Prevocational Camp, advocacy efforts, educational seminars, workshops, and sensory sensitive events running. Your support allows us to offer vital services and events, ensuring that families affected by autism have access to the support and community they need.

When you donate to the Brevard Autism Coalition, you're not just supporting a efforts like Camp 2 Can—you're changing lives. You're giving kids like Jimmy the chance to belong, to grow, and to thrive. Your contribution isn't just an investment in our programs; it's an investment in the future of our community. Together, we can make a difference—one camper at a time.

All donations are tax deductible, and your generosity will be acknowledged through recognition and advertisement on our social media pages and website. Will you partner with us and invest in the future of our community?
