LOCATIONS and PLACEMENTS

Thinking about *your* role in finding a positive, stable home for children at pivotal points in their lives

Training created and **facilitated** by people with lived experience of being placed in semi-independent accommodation as children.

LIMITED PLACES. BOOK NOW

TRAINING

Calling all staff who serve CYP. Hear it first hand from people reflecting on themselves at point of placement – who they were, what they needed and what risks they might need protection from.

This learning will develop your thinking, bolster your practice and fill your heart.
