## Our Services

### → Competent Care

One of our main priorities are to provide top-notch care services. These services include medication management, activities of daily living assistance, assistance with bathing, dressing, and transfers, as well as 24-hour supervision.

### → Proactive Support

We cater special dietary restrictions, such as diabetic diets, and offer a mental wellness program for residents with mild cognitive impairment. The specialized memory care programming further ensures that residents with memory-related conditions receive the necessary support and care.

### → Non-Care Services

Additional services to help residents feel comfortable services include housekeeping and linen services, scheduled daily activities, community-sponsored activities, and move-in coordination.

Our community's convenient location in Walnut Creek offers easy access to a variety of nearby amenities.
