

Matthew Chapter 2

1. Understanding question: How did the responses of the magi, Herod, the scribes, and Joseph reflect their hearts towards King Jesus according to Matthew 2?
2. Personal reflection question: In what ways do you see yourself in the responses of the characters in this passage? Are you more inclined to seek, resist, ignore, or obey King Jesus in your own life?
3. Daily application question: How can you actively seek out opportunities to worship and surrender to King Jesus in your daily life, similar to the magi who traveled to worship Him?
4. Community/relationship question: How can we encourage and support each other in our individual journeys of responding to King Jesus, especially when faced with resistance or indifference from the world around us?
5. Specific action question: What immediate, tangible steps can you take to demonstrate your obedience and submission to King Jesus in a specific area of your life this week, like Joseph who obeyed without delay?
