

### **Luke Lifegroup week 4**

1. Understanding: How does the interaction between Mary and Elizabeth in Luke 1:39-45 demonstrate the work of the Holy Spirit in their lives?
2. Personal Reflection: Have you ever experienced a moment of surprise and amazement at God's work in your life? How did it impact your faith journey?
3. Daily Application: In what ways can we cultivate an attitude of humility and gratitude in our daily lives, similar to Elizabeth and Mary in their response to God's blessings?
4. Community/Relationship: How can we support and uplift one another, like Mary and Elizabeth did, in times of joy and blessing in our faith community?
5. Specific Action: Reflecting on the elements discussed (awareness, surprise, humility, gratitude, fear of the Lord, and rejoicing in Christ), what specific step can you take this week to deepen your relationship with God and express thankfulness for His work in your life?
