Literature Report For 5/01/22

Literature given out this month:

\$84.85

Made an order of \$141.39

World sent a notice that literature costs are going up 12% starting next year. We should look at the budget and confirm we are OK. Prices will not increase on IPs, booklets, keytags, or chips.

Much love,
Kyle W.

H&I

May H&I Report

We met online today 5/1 at 2:30; there were 9 addicts in attendance. We got some great news that ACRJ is ready for us to take in zoom meetings. We are in the process of getting that going.

Boxwood continues to go well, though we need more volunteers to take the message in. The groups are smaller, but we've been told that they are working on increasing the census. Our first scheduled meeting at 5 East was canceled by the hospital. We plan to take in 1 meeting this month. We had no report from Wellness Recovery Center-meetings have not yet resumed as far as we know.

We discussed our budget and agreed that \$25 a month should suffice for now.

We had a motion to change the H&I guidelines to remove the requirement that new volunteers attend a subcommittee meeting for orientation, instead to be oriented by panel leaders. There was discussion, but the motion was tabled until exact wording of the changes can be formulated.

Kermit O. was elected as panel leader for the Mohr Center meeting, contingent on the successful start-up of that meeting.

We still have an opening for H&I subcommittee Vice Chair.

ILS, Jim W

Other discussion:

A motion was presented at April ASC about business agreements Region 10 is requiring for individuals taking part in the Mohr Center meeting. The motion was withdrawn pending further consideration and the possible impact on our tradition of anonymity. The motion was discussed again at the May ASC but was once again withdrawn for consideration.

Public Relations

Good afternoon,

The Public Relations Subcommittee met virtually today at 1:30p. We had 7 people in attendance.

A new round of meeting lists has been printed and Dana R. will bring them to Area Service today to be distributed.

The Panel Presentation Coordinator position is still open, please continue to announce this position at meetings.

Our next meeting is scheduled for June 5, 2022 at 1:30p.

ILS,
Megan O.

Regional Committee Member

There was no report from the RCM. Next month's report will include information from the last RSC and the GSR Assembly.

Special Events

Good afternoon family,

The Special Events Subcommittee is excited to present our next event called *Welcome to Summer 2022!* On June 25, 2022 starting at 12:30pm-6:30pm. This will be time for fellowshiping. We will have games, speakers and a talent show. I have provided a flyer to area.

Last month, we were allocated \$70 out of our \$400 budget, to rent the covered pavilion #70 at McIntire Park in Charlottesville, VA. In June, I hope to be able to receive \$320 to support for our summer event for food, drinks, decorations and misc. items.

Special Events plans to hold meetings towards the end of May and/or early June to prepare for our June 25th summer event. Please be on the lookout for information on this. We will need your help so please contact Jason B (434-249-9915) or Kevin O (434-327-6543) if you're willing to help make this a wonderful event!

ILS,

Jason

VRCC

The VRCC has not met since the last ASC. The VRCC retreat is scheduled for May 15-16 in Virginia Beach. I intend on attending, but will be late due to an ECCNA host committee meeting scheduled for May 15th in Richmond. If we elect an alternate VRCC director today, they would be able to represent our area until I arrive, as long as the area minutes with the election results are sent to the VRCC secretary prior to the retreat.

The ECCNA report was received too late for presentation at the meeting and will be included in the report presented at June ASC.
