Power:

The City of Gulf Breeze provides a generator for general vendor use. Each vendor is supplied a maximum single 20 amp circuit with two plugs. City power is available each day (Saturday and Sunday) from 9 am to 5 pm. Each vendor needs to supply his/her own #10 or #12 extension cord. No city power is available at night. If you need power at night you will need your own generator. If you need additional power during the festival hours a Quiet generator (like a Honda) is acceptable but must be PRE-APPROVED. If improper amperage is used, you will be responsible for all additional electrical expenses required to make your trailer functional and any damages to city provided facilities.

No public address system or musical amplifier may be used.

Each vendor must provide ground cover under their tent and is responsible for clean up in their area and proper disposal of trash and cooking wastes.

Water:

There are faucet locations; however there are NO dedicated hose hook-ups.

NOTE: There is NO City/School electricity available other than above hours (e.g. for running refrigeration).

FESTIVAL INFORMATION
