Dear Mr Darling-Parkes,

I am writing to express my sincere thanks for the support the GWAS Ambulance provided over the very busy December period.

I am told that your teams were professional, flexible and of great value in terms of dealing with people who may otherwise have taken up police time or clogged up A&E. I understand that your assistance greatly reduced the number of times that an NHS ambulance had to be called and that without your support the resources of Wiltshire Police would certainly have been tested.

Overall your assistance proved invaluable and I would personally like to thank you for your support and would be grateful if you would pass on my thanks to the crews concerned.

Yours sincerely

**Andrew Carr**
