TASO-Volleyball Policy for Establishment of a New Chapter

The following procedure will govern the application for the establishment of TASO-Volleyball Chapters.

GENERAL: The establishment of a new chapter will be considered at the TASO-Volleyball off-season Board of Directors meeting. The new chapter will be considered in an area that fills the need to best support the UIL and/or TAPPS activities in the area. The new chapter should be beneficial to both the schools affected and the TASO-Volleyball officials. New chapters will generally not be approved based on a split in a chapter arising out of personality, political, or other factional issues. Until such time as the application for the formation of a new chapter is approved by the TASO-Volleyball board, no dues or applications may be collected by the proposed new chapter.

I. **REQUIREMENTS:** The individual(s) making application for the establishment of a new chapter must submit all of the following information to the TASO office no later than forty-five (45) days prior to the off-season board meeting in order to have the request acted upon by the TASO-Volleyball board.

1. A copy of the proposed Chapter by-laws.
2. A list of the proposed officer's names, addresses, home and business telephone numbers and e-mail addresses.
3. A list of names, addresses, home and business telephone numbers and e-mail addresses of prospective chapter members. If any prospective members are currently TASO members, their current chapter should be noted.
4. A list of the schools the chapter plans to service. Note on this list, the chapter(s) presently serving each school.

II. **PROCEDURES:** The TASO office will forward copies of the application to the TASO-Volleyball District Director(s) affected by the establishment of the new chapter. The Director(s) will investigate the application, note the impact on the division and chapters affected, and make a recommendation to the board at the next meeting.

III. **APPEALS:** There is no appeal of the board vote. Applicants may resubmit an application in two years from the date of the original application unless requested by the TASO-Volleyball Board to resubmit sooner.
