

Palladium

Kim Parker, *Executive Director*

Kim Parker is now the executive director of Palladium International, a multi-family real estate developer. Parker was a managing member of The Land Experts for nine years, where the company played a role in nine affordable housing communities totaling 1,440 apartment units. Most notably, she served as the president of RKS Group for two decades.

Education: Fordham University (MBA), University of Texas at Austin (BBA)

Keith Pomykal, *Director of Real Estate Transactions*

In his new title as director of real estate transactions for Palladium, Keith Pomykal will oversee transaction oversight while ensuring consistent closure and orchestration. Pomykal served nearly four years with Dynamic Commerical Real Estate in various roles, most recently in the same capacity as his role with Palladium.

Education: Texas Christian University (MBA, BS)

Elizabeth Deitchman, *Manager of Land Acquisitions*

As manager of land acquisitions with Palladium, Elizabeth Deitchman will be tasked with land sourcing and vetting and providing valuable insights into Texas's Qualified Allocation Plan. Deitchman will bring her expertise from her time with Dynamic Commercial Real Estate as manager of acquisitions and marketing and Edson Entrepreneurship as a community builder.

Education: Arizona State University (MS, BS)
