Other information: There will be no practicing of courses! We want this fair for all. First judged rider is 10 am and last judged rider is at 1pm. Show up between those times to compete. Anyone that shows up after 1pm will not be able to compete. People are to stay off the trails. If you need to lunge or warm-up we have a large round pen and open arena you're welcome to use. No warming up in parking areas since horses will be tied and children will be on the loose. No horses are permitted past the round pen area. We will keep our barn area closed and ask folks coming in not to take your horses over to our paddocks where our boarders and program horses are. No alcohol or drugs on our property. Please put trash in our trash cans. This helps us so much. The horses here also appreciate it! No dogs or stallions allowed on the property. You get 3 attempts per obstacle. If you fail to complete obstacle you get a 0 score. You must attempt all obstacles to get a final score to qualify for a placing. If you complete it correctly you get a score for that obstacle. Approved helmets required for youth riders while mounted and encouraged for in-hand and adults.
