

friend Denise is a single working mother in Georgia that signed for a 24% interest car loan last year at a used car lot and was sold a lemon. **We have been on the phone a few times now. People Bridge purchased the unresolved debt** on that vehicle and entered her story similar to what Dave Ramsey did in December with our help with auto and medical debt.

She received a letter from us (with the help of Laney and her friends!), checked out our [website](#), and waited for a call. I entered her story of health issues, her son being murdered last year, and trusting God, **IT IS ONE STORY AT A TIME**. It is grace, love, and listening. **Who is your Denise today?**

This month we were asked to send special funding for six youth that could not afford uniforms or school fees through our partners, [Oasis of Hope Mathare](#).

**Here is Liz that is able to go to boarding school**, get a uniform and needed books for about \$150 that she would not have otherwise been able to pay.

**David Gathua**, with our partners, [Set Apart Foundation](#), saw a father and 7 year old daughter, Agnues, on the sidewalk by the hospital. He stopped to help.

They had not eaten all day. They could not afford the needed drugs. David got both for them right then. This is the pharmacist helping.

David and Jacinta lead by example a ministry that **EMPOWERS LIVES WHOLISTICALLY** while seeing and helping a girl like **Agnues**. Our partnership serves hundreds weekly through them.

### School is on!

There has been so much more going on personally and in ministry...so much. **Yet life is changing as school starts and Erin and I are taking one day at a time as parents and best friends.**

Thank you so so much for your love and prayers for the Clarks.

**Brian and Erin**

## Three Prayer Points

"Jesus, be with Brett, Noah, and Laney as they embark on life as 5th, 7th, and 10th grade. **Keep their body, mind, and spirit safe today.**"

"Jesus, be with Brian as he enters one story at a time. Allow, by grace, Your Kingdom to expand as people hear and see grace and love in action. **Allow me to enter stories my gifts and strengths.**"

"Jesus, as People Bridge provides funding for cookies and juice weekly in the slums would You use the influence of the leaders in Kenya to **multiply Your Kingdom in the lives of souls often forgotten.** We love you Lord, Amen."

**How Can Erin and I be praying for you and your family?**
