

Welcome

Hello friend,

We are so happy you have decided to join us. Here at the heart of the OC Women's Group is a sanctuary for connection in an increasingly busy world. Founded in 2024, our group was born from a simple but powerful vision: to ensure that no woman in Orange County ever has to feel alone or without a "tribe." We understand that building deep, meaningful friendships as an adult can be challenging, which is why we've cultivated a space where barriers are stripped away—leaving only room for genuine laughter, shared stories, and the kind of support that only a community of women can provide. With over 3,800 members, we are a testament to the fact that we are all looking for a place to belong.

Our community thrives on the "little moments" that turn strangers into sisters. Whether we are gathered for a quiet Saturday morning breakfast or meeting up for a sunset walk with our dogs at a local park, the focus is always on being present for one another. We believe that a strong community is built on consistency and variety, which is why our calendar is filled with everything from lively game nights and festive holiday parties at Muldoon's to casual coffee dates. These aren't just events; they are the building blocks of a support system where you are celebrated for exactly who you are.

The strength of this group lies in the hands of our incredible members and the leadership of our dedicated area leaders—who work tirelessly to ensure every newcomer feels a warm welcome. We are more than just a social directory; we are a collective of women who show up for each other, whether that's through collaborating on a community project, attending a local gala together, or simply offering a listening ear. By joining us, you're not just attending an event; you're joining a movement of kindness and empowerment right here in our own backyard.

We invite you to step into this circle and discover the joy of being part of something larger than yourself. Our goal is to make Orange County feel a little smaller and a lot friendlier, one friendship at a time. From our digital platform and newsletter to our very own membership magazine, we are constantly finding new ways to highlight your stories and bring us closer together. Come as you are, bring your heart, and let's continue building the strongest, most vibrant women's community together.

*Your new friend,
Founder, Jennifer Lutz*
