## Women's Travel Group: Information Night

### Hello Travel Buddy,

Welcome to the **OC Women's Group** and our exciting new initiative, the "**Women's Travel Group**"!

We are thrilled to have you join this specialized circle. As you know, our group is a dedicated friendship club with deep roots in our Orange County community, and this new travel focus is designed to take those connections even further.

Our mission is to create fun and inclusive travel opportunities where you can meet, connect, and build meaningful relationships through shared experiences. Whether it's a local **Day Trip**, a quick **Weekend Getaway**, a **Relaxing Retreat**, or an ambitious **International Adventure**, we are committed to making every journey a chance to foster lasting friendships.
