Monthly Teacher Tip

Continue to practice first, middle, and last names with your children. Then start on their birthday, parents' names, and phone number. We are also working on learning this information in class, too! Children will need to know this in Kindergarten, and it is a great lesson for their safety, too.

Be sure all coats, hats, and gloves have names in them! Keep working on helping your children be able to put on and zip coats independently!

Please contact me with any questions or concerns!
