

MEET THE Teacher

Mrs. Christina

Welcome to the 3 year old preschool room. I am the MWF teacher for 3-year-olds. We are so excited to see how your children will grow and learn as they spend the year with us. We have so many fun things planned and can't wait to meet you!

This is my second year teaching as St. Elizabeth Ann Seton Preschool. I am so thrilled to be here and teaching at a school that I love and believe in.

I received my teaching degree from Miami University and taught preschool in daycare type settings. Now that all 3 of my children are in school, I am ready to get back to teaching and in a job that I love to do. We have been living in Milford for 6 years and we have fallen in love with this community and this amazing school.
