The purpose of the Do Not Solicit Registry, established from the Resolution on Door-to-Door Solicitation performed by Transient Vendors adopted on December 1, 2025, is to permit residents to prohibit persons and entities from soliciting door to door sales on their premises.

The Registry will consist of a list containing street number and street name only. The List will be alphabetized by street name. No name or personal information shall be included on the registry.

Please note this registry will be distributed to solicitors when granted a permit by Brookfield Township. This Resolution shall not apply to the solicitation of goods or services by persons under the age of 18 who either reside in the township or a government entity that shares a border with Brookfield Township and where revenues from received goods or services being solicited are less than \$10,000 per year.

A residence shall remain on the registry for a period of five years or until a written request is made to the Township to have the residence removed from the registry.
