Dear Marsha & Bill,

Thank you for supporting the Humane Society of Pinellas and Happy Tails earlier this month. Because of you and our gracious host, Home Port Marina, we were able to raise \$7,100 which will be used to provide care, and find homes, for 3,000 homeless pets in 2014 and provide medical services to more than 6,000 animals.

Home Port Marina underwrites the costs of this event allowing 100% of ticket sales to be used to support the Humane Society of Pinellas. With the money raised from this event 295 animals are able to receive spay/neutering services or 473 cats and dogs will receive daily care.

Your contribution could have been used to support our programs like the mobile medical center mentioned that night. This mobile unit serves those in low income neighborhoods, many seniors on tight budgets, providing vaccines and spay/neuter services.

If you are interested in sponsoring the mobile medical unit or any of our programs like the Senior Pet Connection, a "meals on wheels" program for homebound seniors with pets, please contact me on my cell (727) 692-8435 or by email, Kelly@HumanePinellas.org

Mark your calendars for our Annual Awards Dinner Thursday, October 9th at the Safety Harbor Resort and Spa. The event will feature local musical talent in a "Singing for Your Support" interactive evening.

Again, thank you for coming out to support us at Happy Tails. We hope you enjoyed the evening as much as we did.

Sincerely,

Kelly Hodges
Senior Director of Development
