CORNHOLE TOSS TOURNAMENT RULES RULES

Boards are placed 27 FEET from front edge to front edge.

Competitive category games are played to 21 OR MORE POINTS. (no bust) and Kids category games are played to 15 or more. (no bust)

WOODY: Refers to any cornhole bag that has been pitched and remains on the cornhole board playing surface at the conclusion of the frame. EACH WOODY IS 1PT.

CORNHOLE: Refers to any cornhole bag that has been pitched and passes through the cornhole board hole at any time within the frame. EACH CORNHOLE IS 3PTS.

A bag that comes to rest touching the ground AND the board does not count as a point.

CANCELLATION SCORING (COMPETITIVE ONLY): In cancellation scoring, the points of one player cancel out the points of their opponent. Using this method, only one player/team can score in each frame.

Teams consist of 2 players (Two Players per board, 1 Player from each team)

The Start of Play 1. Team Captains will flip a coin to determine who throws first.

Players must stand on the same side of the boards, across from each other

Players ALTERNATE PITCHING BAGS until each player has pitched all (4) of their bags then score is calculated.

Team mates on the other boards will alternate pitching bags until each player has pitched all (4) of the bags then score is calculated.

Feet must stay BEHIND THE LINE OF THE FRONT OF THE BOARD at the time of releasing the bag.

The player/team who scored in the preceding frame PITCHES FIRST in the next frame. If neither player/team scores, the player/team who pitched first in the preceding frame shall retain first pitch in the next frame.

If team competing next is not present 10 minutes after the previous game, they will be disqualified.

If bags become piled inside the hole and may interfere or obstruct with the next pitch or if there is question whether a cornhole bag would have naturally fallen through the hole, a player may request to RAKE the cornhole bags that have fallen inside the hole.

GOOD LUCK!
