

Warranty is based on each manufacturing specifications, warranty cards will be provided at the time of install.

Window Works will provide free warranty coverage for **one** year. *Please note: If warranty work requires multiple installers/lifts or ladders, charges will apply based on each blind/location.

If warranty work is required on motorized blinds, client will be asked to verify that binds are fully charged/batteries are correctly inserted and to verify remote battery is full before warranty work can be scheduled.

Charges **after one year** are based on each blind/location. Warranty work fees will be sent prior to scheduling.
