Profile

Experienced costume and wardrobe professional with a strong background in both theatrical and live performance settings. Through my training at Rose Bruford College and professional experience I have gained skills in managing wardrobe operations and collaborating with creative teams to ensure seamless costume changes and operations within the greater theatre environment. Currently I work most frequently as a Dresser and Maintenance Assistant in the West End and freelance as a Head of Wardrobe and Costume Supervisor, and hope to eventually do these jobs on a more full time basis.

Skills

- Alterations and Costume Repairs
- Budget Management/Cash Handling
- Dyeing and Breaking Down
- Millinery
- Dressing
- Styling
