Christie has found a new accountant and the taxes are done for this year!

Sponsorships, donations, concessions are three ways that booster club fundraises for their own budget. The request was made to clarify what the sponsorships receive in terms of ticket, signage, marketing, etc.

Banners are posted for sponsorships at the football field, the idea of moving signs for different winter and spring sports was mentioned.

Craft Fair

Clarke's Corner owner, Sonja Clark, presented the new fall craft fair. She is organizing the new craft fair to be held at LHS on November 21st, 2026. She is going to be accepting vendor applications starting at the end of May. Approximately 60 vendors fit inside our gym. November 20th 6-8 pm volunteers are needed. Nov. 21st 7:30-9:30 am. Tear down is from 4:01 pm - 5:30 pm. Ten students will be needed to help with each of the three volunteer times. Winter sports students will be asked to volunteer.

She runs for a for profit business, part of the vendor fee will come back to the booster club.

Fundraising Ideas

1. Raffle ticket ideas - Booster club needs to get the gambling license again so that we can sell tickets. Sonja said she would ask vendors to donate something to our own raffle sales.
2. Dillon from Stonelodge said that he would be willing to do a fundraiser in October. Student volunteers would 'earn' the minimum wage amount for the students. His mom also talked about doing sandwiches to sell in the concessions stand.
