The 2 fundraisers updates

The Christmas tree pickup that Boosters had planned for 2025 could not be done this year. Jessica would like to have a small committee start working on this for Christmas of 2026

The BBQ Competition, scheduled for this fall, would also benefit from a committee being set up to get the ball rolling. Looking for individuals to help

Track and tennis courts require a lot of love, and Jessica is exploring ideas to raise a substantial amount of funds to support this project.

March 28th is a big day for Concessions, as there will be Little Guys wrestling and a doubleheader for baseball. Cecily is looking to accommodate both indoor and outdoor, if possible.

Jessica reminded attendees that Scholarships open in February and boosters are offering scholarships to students.
