Puppy Purchase Agreement

This puppy sales contract legally binds the Breeder and the Purchaser on the following conditions:

The breeder has followed the National Breed Club Guidelines and used the IOEBA health schemes and certification to ensure that the sire and dam are sound breeding stock. The puppies will be reared in a home environment and wormed at two, four, six and eight weeks. The puppy will have a complete Vet Health Evaluation done at **Riverview Animal Hospital** at 8 weeks of age to ensure they are believed to be in good health. All age appropriate vaccinations will be completed and recorded. In addition, oral vaccination against kennel cough will be given at the 8 week Vet check up and pup will be microchipped by a licensed Veterinarian.

The purchaser is strongly advised to have the puppy vet checked within three days of collecting the puppy if there are any concerns for the puppies health and wellbeing. If the vet certifies that there is any problem which makes the puppy unfit for sale, provided the puppy is returned in the same condition as when it was sold, and within seven days, the breeder will take the puppy back and refund the full purchase price. The breeder will not pay expenses incurred in the return of a puppy nor accept any claim for distress caused by the return.

The breeder has enquired of the purchaser his or her past experience with dogs and with this particular dog breed and on the basis of the information received is willing to place a puppy with the purchaser. The breeder has pointed out to the purchaser the main conditions the breed is prone to and the health schemes followed to reduce the risk of such conditions. Every puppy is an individual and the breeder cannot be held responsible should conditions, genetic or otherwise, develop later in life.

The purchaser agrees that the dog will be kept in appropriate conditions for its welfare and health. It will be fed on a suitable diet (recommended: Diamond Naturals) for its age and condition and have appropriate exercise. It will receive all necessary veterinary care to maintain its physical good health. The dog will be kept under appropriate control and will not be neglected or maltreated in any way. The purchaser attests that he or she has not been banned from keeping a dog or any other animal by any legal court.

If circumstances occur where it becomes necessary to re-home the dog, **the breeder must first be notified and given an opportunity to take back the dog (*in the case of selling on*) or to home it if it is in need of rescue.**
