

Shot Clock Rules/Process

- Beginning of the game: shot clock starts on possession.
- Beginning of all other quarters & extra time: shot clock starts as soon as it is touched by any player on court.
- On a throw-in, shot clock starts on touch by any player.
- If there is a change of possession which is a new control of the ball **reset the shot clock to 24 seconds**
- After ball hits the ring attempting to score – reset to 24, hold, wait for possession, then start.
- Double foul is a hold and if a team is in control of the ball no reset, if no team is in control of the ball check possession arrow.
