## CHURCH Family,

Here is the new info about gathering in church. As we have heard, most places have opened as normal with no capacity limits or social distancing required. The following are a few things you should know as you come to church.

We NO longer need to have a temperature check as you come in to church. There will be NO hymnals on pews for social distancing and we will NOT divide the church for First and Second service seating. This means you may sit anywhere you would like. If you are NOT vaccinated, you may wish to continue to wear a mask while inside church. We will NOT ask if you are vaccinated or not. We will leave it up to each individual to use common-sense as you come to our gatherings.

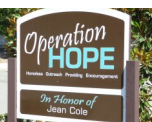

Please DO stay home if you feel sick.
