God's work. Our hands Sunday

On this day congregations will observe "God's work. Our hands." Sunday.

This year our church — and our world — are living through the COVID-19 pandemic. Physical distancing has changed the way we worship and serve. But the need is great, and God's church is at work. We have such an opportunity to celebrate who we are as the Evangelical Lutheran Church in America — one church, freed in Christ to serve and love our neighbor.

These are some ideas of Outdoor and Physically distanced Service Projects.

Identify members in your congregation or community who could use some help with yard work.

Then roll up your sleeves and get to work with activities such as:

- Lawn mowing • Window washing • Raking • Chopping wood • Clearing brush • Painting • Weeding • Planting • Washing cars • Clearing gutters
- Picking up litter to care for creation and beautifying your community.
- Walking through a prayer labyrinth or consider adding one to the church grounds as an act of service.
