Ash Wednesday Service

Worship will be Bilingual at 6:30pm

The season of Lent begins with Ash Wednesday. Ashes are used as an external sign of public penitence. Ashes suggest our human frailty, our total dependence upon God for all of life. Ashes also symbolize cleansing and renewal. This solemn day sets the mood for reflection on the quality of our faith life as we prepare for Easter. Join us for this 40-day Journey!

SUNDAY**

Sunday 23th at 9:00^{am}
ONE WORSHIP TOGETHER

Come join us to celebrate and give thanks for all bold women in our lives.

Bold Women's Day—observed annually on the fourth Sunday of February.

We celebrate all women who have acted or are acting boldly on their faith in Jesus Christ. Some women are bold in their unceasing prayers.

Other women are bold in their service to those in need. Still other women are bold in their advocacy or through their hospitality.

Whether we live out our bold story of faith in the workplace, family home or community, our faith compels us to make a difference in the lives of others. It's all about living out our baptismal call, about being a disciple of Christ.

Are you BOLD?

LOVE is the theme this month. The children will learn about how God made their heart and how it works in their body. God wants us to love each other with our heart, care for our family and friends. They will be sharing that love through the giving of Valentine Cards in class and to others around our campus.

This is the message you heard from the beginning: We should love one another.
