From Pastor During Covid-19

Brothers and Sisters in Christ,

Unfortunately we still don't know when the time will be for us to get back to our in-person gatherings.

So we continue to encourage all of you to join in to our online gatherings. Council gathers through ZOOM every month and with the help of our Synod we keep assessing the situation and together find ways to do ministry virtually and meet the needs of our church and community. We know we are called to love God and Jesus told us about loving our neighbors, all of them, especially the marginalized, poor or in need. This is one of the many ways God wants us to show that love! So we invite you to keep on connecting and sharing God's love during this pandemic. But also as we celebrate the Resurrection of our Lord Jesus always as the body of the risen Christ, remember to pray and keep others in your prayers. God is faithful and God is with us. I encourage you to use this time to draw closer to God and to those around you, reach out to the vulnerable and in times like this we are still called to do God's Work as you are able to do so in a safe way.

Sunday morning worship and our devotional times continue to stream LIVE on Facebook and prerecord on YouTube. Join us as we celebrate our Easter Season and invite others to celebrate with you. Search for First Lutheran Church of Vista, click our page on both of those platforms and like or subscribe so that way you are notified when something is live or uploaded. Please always share or create a "watch party" as you are able and please leave us a comment.

Continue to pray for one another, pray for our nations and our world today. If you have a need or prayers request, please contact me to pray with you. Here is my cellphone and my email so you can reach me at any time.

(760) 415-3897, ramon@firstlutheranvista.org

In times like this is when we need God and our church family the most, please reach out to me. I am here for you!!!!

Love and miss you all,
Pastor Ramon Zarate

Dear First Lutheran Members,

As our president mentioned in our email sent on 4/25th, we did apply for the Payroll Protection Plan for First Lutheran through the American Christian Credit Union – it was submitted April 15th. Since we kept hearing in the news that this money had already run out, we were not optimistic we would get the dollars for which we applied. But 04/23 we were notified that it had been approved. We did need to process some paperwork to sign the note and to open a new account specifically for the funds. That was accomplished and this morning (04/24) we were notified that we had been funded! We of course will need to prove how the money is spent but it is highly unlikely that any of it will actually be a loan, but rather will be forgiven. There is an eight week time frame to spend this money.
