**We have a new Drummer!
Please welcome Jesse Stock**

The music team has requested Drum Shields to keep their hearing safe and tuned to singing, to allow us all to hear the music and words more clearly. Donations will help us achieve this purchase with a cost estimated at \$500.00 for the set of panels. If you can help, please mark your contributions for “**Drums**”.

During the Summer months our giving commitments seem to lag behind or disappear as we forget to make them up when we settle back into the Winter/School routine. As is the case throughout the year, the Church budget still needs our collective givings received in a timely manner in order to keep our wonderful ministry rolling along. If you know that you would benefit from an auto donation process so that you can cruise the Summer months carefree along with your Church, please check the “Donate” menu button on our website at www.firstlutheranvista.org
Please direct any questions to:
Jim Murphy –Treasurer
Eunice Hanson—Vice President

The Trinity kitchen remodel is progressing well.

In order to support this effort and serve Operation Hope as well as other homeless shelters, you may continue to sign up for providing and serving dinners on the 3rd Saturday of each month as before. After our new “North County’s Stone Soup Kitchen” begins operations as a licensed commercial kitchen, we will be able to offer it as a resource to the community to cook meals for delivery to local shelters.

We have added this item as an option for your regular donations. Please mark these as “SSK .“
