Zander Price was the fastest kid at my grade school. He won every race on Field Day. To me, his swiftness meant he was the greatest. Zander was the best. It's the same with the speediest Apostle on Easter morning. John tells us he "ran faster than Peter and arrived at the tomb first." (John 20:4) But only after Peter entered did John go in, see the burial cloths, and believe. Here is a symbol of two dimensions of the Church. John, the beloved disciple, represents the contemplative, mystical life: affection, prayer, intimacy. Peter, the rock, represents the Church's institutional life: steady, authoritative, structured...but slower. Of course, John runs faster! Love is the heartbeat of Christian faith, so love will always arrive first. Peter's role is, in a sense, secondary. He arrives later, but is still very much needed. John waits for him. The Church must be built, balanced, protected, and led. Love without structure can vanish; structure without love becomes lifeless. This dynamic is not just historical — it is personal. In you, there is a John who longs to run to the tomb in love. Let him run! Pray, sing, love Jesus. There is also a Peter, who eventually gets to the tomb and takes charge. The Risen Christ wants both. Remember: if you want to get to the mystery of Jesus' resurrection fast...love him, for love is best.

— Father John Muir
