Session 3 Mission

For a synodal Church
communion | participation | mission

God has given us a moment to walk together. Please answer each question openly and honestly. You do not need to answer every question. The Church exists to evangelize. We can never be centered on ourselves. Our mission is to witness the love of God in the midst of the whole human family. Synodality is at the service of the mission of the Church, in which all members are called to participate.

We are all missionary disciples, how is every baptized person called to participate in the mission of the church?

What keeps you from being active in mission?

What areas of mission are we neglecting?
