Welcome Message From Bankston Dozier, SEACHSA Chapter President

I wanted to take this opportunity to welcome each of you to The Chattanooga Hotel, located in the historic city of Chattanooga, Tennessee. This year’s SEACHSA Board has diligently worked to bring you a conference designed with three very basic ideas in mind: 1) We wanted to put together a dynamic and substantive panel of speakers (10 hours of CE); 2) We wanted to find a good location central to the majority of our member states; and 3) We wanted to make sure that attendees had plenty of options during their “down time”. We think we have accomplished this as The Chattanooga and its surrounding areas provide a cornucopia of eating and entertainment choices.

For those of you wanting to relax after a long day of presentations, dinner and spirits at The Foundry is readily available. For those seeking out the local scene, there are of plenty of favorites within an easy walking distance, or Electric Shuttle ride, away.

Simply stated, the Chattanooga area offers an abundance of shopping, sight-seeing, and leisure options for all ages.

For additional information about what to do in the Chattanooga area, be sure to visit www.chattanoogafun.com for the full 411.

Here’s hoping everyone will have a fantastic and fact-filled time so that if you aren’t too careful, you just might learn a thing or two as well.
