Applicant understands that if service is approved, all rules and regulations of the company be complied with to initiate and/or maintain water service. Our tariff, on file in our office, is available during business hours and is also available through a link on our website. Payment is due on the 20<sup>th</sup> of each month. If payment is not received the customer will be notified by mail and by service notice at the service address that water service will be disconnected for non-payment. The fee to restore service after disconnection is \$25.00 during business hours and \$25.00 after hours. Late payments may be made at the office in cash, money order or credit card to restore service.

This water service, unless otherwise indicated in this application, is for single-family residential purpose only. It is understood and agreed that if more than one family is in residence at this service address that multiple minimum charges may apply. Any outbuilding, trailer, or mobile unit housing separate person or persons shall be considered a single family. For, and in consideration of service without a deposit, unless otherwise agreed upon in writing, the owner of the property being served shall be and remain responsible for all proper charges. This rule shall apply even in the event the company bills a tenant directly.

There is a \$0 new customer fee required for all new customers.

Company rates and charges for service are available at [svww04.com](http://svww04.com). You may also request a copy by calling our office.

I/We hereby agree to the above and I/We certify that the forgoing information provided by I/We is true and accurate.
