

black bear | red chair

## Black bear/red chair Petite Sirah

*“This wine is visually striking with its deep dark rich red color. Your eyes will be amazed as you fill your glass. Aromas of crushed blueberries with notes of vanilla fill the air. The palate is exhilarating with layers of delicious dark berry fruit displaying hints of vanilla, spice and cola leading into a long, brooding finish with a dash of tobacco.”*

black bear / **red chair** is an example of a hand-crafted wine that can stand up to the big boys of the category and doesn't break the bank.

**This may be the best Petite Sirah on the market today!**
