

# Oak Ridge Old Vine Petite Sirah

The estate vineyards we source from for Petite Sirah have a history of giving us a great bright blackberry, blueberry and grape jam character that really gives a great punch to the aromatics of the wine. This is supplemented a lot of aromatic richness in the form of chocolate, vanilla and a gentle touch of star anise. The palate is big, has a broad mouth-feel with soft tannins, a nice freshness and a long finish.

Really a gem of a wine.
