

STILL WATERS
DISTILLERY

STALK & BARREL
HANDMADE
WHISKY

BLUE BLEND CANADIAN WHISKY

This authentic expression of northern harvested grains begins with selected barrels of our single malt and rye, skillfully blended with aged corn to create an exceptionally smooth whisky. The delicate light rye dominates with gentle spice, and almond fills the background.

“Crème brûlée and a soft vanilla nose become Werther’s caramels, until Still Waters’ signature rye spices and white pepper take charge. Add water and it blooms like a flower, dampening the spices and leaving a round, creamy, chocolate-like mouthfeel.”

- *Whisky Advocate*

“A balancing act of mild spiced rye and sweet fruitiness wrapped up into a round package. The subtle characters of Still Waters’ rye shine through.”

- *Whisky Magazine*
