

SINGLE MALT WHISKY

Made from 100% Canadian two-row malted barley. We mash, ferment, and distill by hand in small batches in a copper pot still. Our whisky is aged in ex-bourbon casks on site for a minimum of three years. Each barrel is bottled individually as a single cask offering in individually numbered bottles, offered at either cask strength or at 46% alc./vol. No additives nor colouring and no chill-filtering.

“Attractively intense barley has all the space it requires to flourish thanks to a well distilled spirit impressively cut.”

- *Jim Murray's Whisky Bible*

“Luscious sweet maltiness underlies a breadth of flavor that belies this whisky's youth”

- *Whisky Advocate*

“Youthful but mature beyond its years”
