<b>BLEND</b>	Cabernet Sauvignon Merlot
<b>UPC</b>	082544990191
<b>SKU</b>	+802200

## CABERNET SAUVIGNON

### ABOUT THE BRAND

Silk is considered the most soft and caressing of wine textures, reserved to describe medium-bodied wines that are flawlessly balanced. Rich and concentrated wines are aged in oak barrels to impart a toasty, vanillin flavor and smell to the wine. This ideal arrangement of aroma, texture and flavor describes the consideration and diligence that goes into producing our Silk Oak wines.

### WINEMAKING NOTES

Silk Oak Cabernet Sauvignon contains rich berry fruit with oak and vanilla notes. A long, smooth toast is employed, creating a medium bodied creaminess with gentle tannins. This Cabernet Sauvignon expresses luxurious fruit with aromas of semisweet and dark chocolate, blueberry, blackberry, and mocha. Hidden underneath the initial fruit and richness are mature tones of cedar, white pepper and a touch of leather.

### FERMENTATION/AGING

The fermentation process is optimized to maximize the rich and lush varietal aromatics. The best lots are carefully selected in order to blend the perfect balance of expressive Cabernet Sauvignon fruit with oak aromatics and flavors of vanilla, caramel, spice and toast.

### FOOD PAIRING

Seared Ribeye, Braised Short Ribs, Mushroom Stroganoff, Burgers, Pizza.
