Royal Dragon Superior Vodka

Lithuania

An award winning vodka and a true masterpiece on its own. Royal Dragon is the ultimate expression of superior vodka. Made from a small-batch vodka, exclusively distilled with a European formula from the finest winter rye. To achieve elemental softness and quality, our Vodka is five times distilled, using a century old copper pot still and charcoal filter.

NEW

Imperial Vodka

This is superior craftsmanship in all its elements. An award winning vodka and a true masterpiece on its own. The exquisite taste and exclusive hand-blown bottle, including a masterly sculpted Water Dragon, define the Imperial as the ultimate temptation.

The Imperial is infused with the highest quality certified 23 Carat Gold Leaves from Switzerland; the finest choice for those who like to enjoy an unmatched level of perfection.
